<sup>9</sup> After-hours telephone.

The preceding is a complete list of authorized Airport of Entry. All private aircraft arriving in the United States from The Islands Of The Bahamas, must notified U.S. Customs Service at least one hour prior to arrival. The aircraft must arrive at a designated airport nearest to their point of crossing the U.S. coastline.

The required Customs notice shall include:

1. Aircraft registration number
2. Name of the aircraft pilot
3. Number of passengers who are U.S. citizens
4. Point of last departure
5. Estimated time of arrival
6. Name of the United States airport of first landing
